## **GUERNSEY POLICE ARE RECRUITING NOW!**

Policing is one of the most diverse and exciting jobs you can do.

**No two days are the same. In fact, barely two hours are.**

Joining gives you access to a range of careers beyond anything any other employer in the Bailiwick can offer. We offer full training and are looking for people from all walks of life – from those just starting out in

their careers to those wanting to embark on a new one.

You will play a critical, front-line role based around one central premise: keeping the Bailiwick and its community safe and secure.

A career with Guernsey Police offers unrivalled variety, from arresting someone to helping a victim of crime, being first on scene to helping protect the vulnerable.

We need problem solvers who can work flexibly and show empathy. Those who can act with integrity, be trustworthy and understand the need for complete confidentiality.

Yes, it will be challenging; yes, there will be unsociable hours; but you will be making a positive difference and contribution to maintaining our amazing way of life in the Bailiwick.

**If you have a good level of fitness, a valid right to work document and think this could be for you, please get in touch.**
