

BAILIWICK OF GUERNSEY
LAW ENFORCEMENT

27th October 2020

Happy Halloween!

This Saturday night, should you wish, it's time for trick or treating.

We want you all to have a safe, happy and fun night - but remember not everyone wants to celebrate in the same way.

And because of Covid, people may be isolating or shielding to keep themselves and our community safe.

Our top tips if you're heading out:

- stick together
- go to houses of people you know
- wear something bright and take a torch
- have fun
- stay safe
- if you see either of the attached posters in someone's window, don't go knocking

Our officers aren't afraid of no ghost and if there's an issue, who you gonna call? Us.
